

## MoreVisibility Now A Six Time Recipient of INC. 500/5000

Company is the Only Search Engine Marketing and Optimization Agency to Earn Prestigious Honor Six Consecutive Years

Boca Raton, FL (PRWEB) August 25, 2010

MoreVisibility, one of the world's largest and most experienced search engine marketing/search engine optimization (SEM/SEO), [web design](#) and [social media](#) agencies, today announced it has been named to the 2010 INC. 500/5000. This is the sixth consecutive year the agency has been included in the prestigious INC. 500/5000 list.

Inclusion on the list is based on a firm's increase in revenues over the previous four year period. "We believe our drive to deliver results, outstanding client relationships and the continued popularity of e-commerce are elements behind our continued growth," said Dennis Pushkin, CEO and co-founder of MoreVisibility. "What's particularly gratifying is that we are part of an elite group of privately held firms that have grown despite a difficult economic climate."

The INC. 5000 is an expansion of the INC. 500, which INC. magazine introduced in 1982. The INC. 5000 includes the INC. 500 but digs deeper to offer the most comprehensive look ever at the entrepreneurial engine driving the U.S. economy. To qualify for the INC. 5000, companies must have been founded and generating revenue by the first week of 2006 and therefore able to show four full calendar years of sales. Additionally, they must be U.S.-based, privately held, for profit, and independent - not subsidiaries or divisions of other companies as of Dec. 31, 2009.

According to the Search Engine Marketing Professional Organization (SEMPO), search engine marketing spending will grow to an estimated \$26.1 billion in 2013.
